

SPECIAL ORDER- NON STOCK ITEMS

This item is not a stock item. It will be ordered from the supplier/distributor to fill customer need as required. Depending upon where in the order cycle your purchase is placed with Shop-Sew-Classic.com, it can take 4 to 10 business days for your special order / non-stock item to arrive at our location and be shipped out to you. All special order items are shipped ASAP.

NOTE:

Shipping costs are based on the shipment of a complete order, so an order with stock and special order items will not ship until **ALL** items are available to pack and ship together as a complete order.
